

## Allied POWs in Italy in the Second World War

A Bibliography by Julia MacKenzie; © Julia MacKenzie

Note: This list focuses on the Allied POW experience in Italy in the Second World War, concentrating on first-hand accounts that cover imprisonment, escape, reaching Switzerland/Allied lines or recapture and transportation to Germany, and, in some instances, postwar return visits to Italy. The date is of first publication, with later editions included only in certain instances. Some Italian editions are also mentioned but the list is predominantly of publications in English. Please write with any suggestions for additional titles to: [jcgmackenzie@gmail.com](mailto:jcgmackenzie@gmail.com)
